# HiQ Connect roadshow and workshop series

In 2022, we launched the HiQ Connect roadshow in Europe to showcase who we are, what we offer and how we deliver on our promise in action. In 2023, we introduced a new HiQ Connect format in Singapore taking technology and business matchmaking to new heights.

This series of technology and business matching and invitation-only networking events took HiQ Connect to exciting premium target markets. **In 2025, we will bring the brand back to where it all started, Europe.**

# The concept owner and organiser

a/cedo

**Alcedo Ventures** is Singapore-based innovation agency that enables best-in-class technologies to connect with capable enablers and creates opportunities for technological ventures to enter premium markets in **Asia** and **Europe**. Whilst we recognise no geographical boundaries, we do have a particular focus on **Southeast Asia** and **Central and Eastern Europe**.

## Mission

Our **MISSION** is to open a premier avenue and establish a **GLOBAL BEST PRACTICE MECHANISM** for connecting startups with key target markets and facilitating a cross-regional exchange of world class technologies across our networks.

The HiQ brand stands on **three pillars**:

**A multi-channel business platform:**  
offering state-of-the-art tech solutions to valued markets

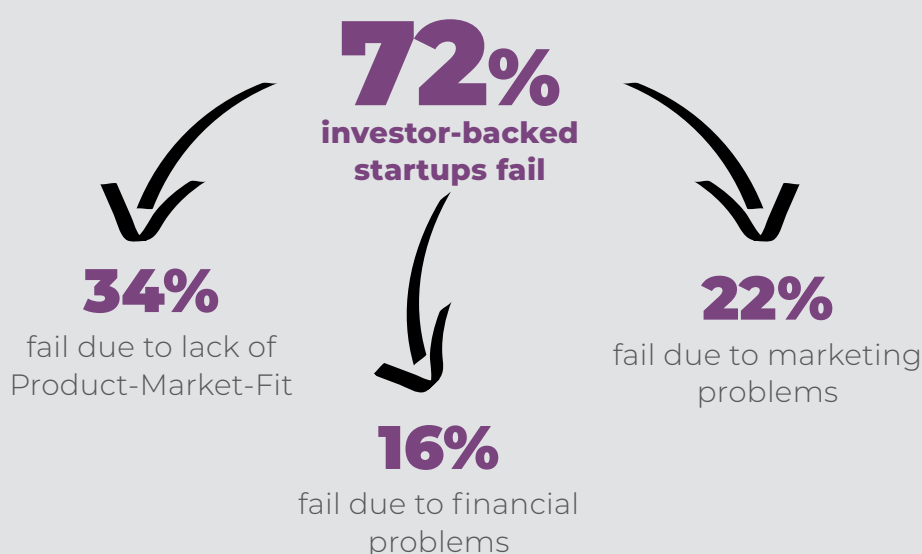

**A series of prestigious exhibitions:**  
sharing innovative ideas with exclusive audiences

**A portfolio of world-class tech solutions:**  
connecting world-class potential with capable accelerators

## The challenge we aspire to address
